

Dear Parents,

Many of you may already be aware that Angela Bitz (Hailey & Sierra Doucette's mother) is in the hospital. This has given us cause to try to arrange something special for Angela.

In case some of you don't know who Angela is, perhaps you've seen her work around the school. Angela is a hard working member of our Parent Council. She dedicates her time to the school in many different ways. You may have seen her work outside of the school (she's the person who transformed the front area of the school to look so lovely). She has also done the bulk of our fundraising efforts this year. Angela is involved with the hot lunch and canteen. She makes the school beautiful with her warm smile to everyone that crosses her path. The list literally goes on and on. Hence, we have had parents ask if they can help out – and the answer is YES!

We will have a donation basket at the school front office that we would like to fill with anything you may want to provide. Some items that would be helpful to give Angela when she gets out of the hospital include: a gift card to go out and eat a meal, a gas card, a monetary donation, a get well card... anything that you wish to send her way, please drop off at the school and place it in the donation basket.

One of the biggest helps would be when Angela gets out of the hospital to cook her family a meal and deliver it or assist with helping to make Angela's girls' lunches (so she won't have to). We want to try and make life as easy and as simple for her when she returns home. That said, if you're able to help with a meal please contact Terra Bockman at 403-580-3992 or by email terrasnorwex@shaw.ca (she will be coordinating all the meals for Angela).

Please don't feel obligated to participate (if you're not able to). The good news is that many parents wanted to do something to show their appreciation. That is why we have put this action plan together.

The biggest gift you can give Angela is to keep her in your prayers.

Thank you in advance for all your support!

Sincerely,
The Parent Council
